STAGING PLAN: **SECTIONS A & B** come downhill on 11th going east, then take right onto Warren Ave to stage on north side of 6th

SECTIONS C, D and E enter 6th from Naval Ave and stage on 6th on the south curb side lane, leaving the other lane adjacent to it available for eastbound traffic and marching to parade starting point of 6th and Warren.

Band buses use 5th and 4th to offload with most bands moving to Warren Ave south of 6th and a few bands staging at Kiwanis Park until they enter 6th at Veneta or Chester. Band buses offload and then take a right turn on Warren, then a left on Burwell and use Washington Ave to park on 11th between Park Ave and Pacific Ave (just like last year).

Equestrian Units offload at 4th and Chester with horses using Chester to enter parade at 6th and horse trailers following the buses to Pacific but eventually parking at Evergreen Park.
